Enjoy browsing our walls showcasing the numerous actors, singers and celebrities who have passed through our doors including: Cilla Black, The Drifters, Shirley Bassey, Roy Orbison, Danny La Rue to name just a few!

Welcome

Located in the heart of West Yorkshire, in the historic village of Clifton, the award-winning Black Horse Inn is a charming restaurant with 22 bedrooms that dates back to the 17th century.

Family owned and operated for 3 generations, the property has character and real old world charm with original oak beams and open fires and an abundance of Yorkshire hospitality.

The Black Horse Inn has an enviable reputation and been rewarded for the quality of its food and service with an AA rosette. Our menu changes seasonably and takes advantage of locally sourced produce.

We look forward to welcoming you soon.

Dining

Our philosophy is simple: Starting with the freshest local produce we can source we like to create fine food, served in a relaxed and friendly environment that people want to eat.

Our Head Chef is skilled at bringing traditional dishes to life with some wonderfully creative touches. The result is a feast for the eyes and the taste buds.

"The food is amazing... well thought out seasonal, fresh ingredients presented beautifully & combining amazing flavours..."

Sleep

All of our 22 bedrooms are ensuite and situated within a series of sympathetically converted cottages located adjacent to the Inn.

The bedrooms are the ideal haven for a peaceful night's rest all with their own individual character and charm.

We have the following three categories of rooms;

Courtyard Classic Rooms

Our Classic courtyard rooms all share the same rustic "old world charm" as the rest of the property. They have their own individual theme, ensuite facilities.

Superior Rooms

Our Superior rooms are more spacious and luxurious and all of them have a bath and shower, bath robes and DVD player.

Superior with Whirlpool Bath

These rooms have the same luxurious feel as our Superior rooms with the addition of a whirlpool bath for even greater relaxation.

Weddings

Our Wellington Suite provides a beautiful backdrop for wedding receptions and celebrations. We are also fully licensed to hold civil ceremonies on the premises.

Our lovely team, led by Lydia, our experienced Wedding Co-ordinator, will be delighted to assist you in organising every aspect of your special day from drinks on arrival through to menu selection, table layout, speciality cakes, flowers and even down to those special "little things" that make all the difference, whatever the detail our expert team are here to help you.
